

medLOVE

The **medLove** Initiative is a Rotaract Mediterranean MDIO project Initiative which serves as a versatile and multidisciplinary social effort to strengthen vulnerable social groups of the Mediterranean Region.

Under MED LOVE Initiative are projects related to following United Nations Sustainable Development Goals (SDGs):

In order to participate in the **medLove** Initiative, Rotaract projects must be in accordance with the given SDGs as well as the 6 Rotary International Areas of focus:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development

This initiative is focused on the help provided to our communities, minority groups and socially vulnerable population by reducing inequalities, improving life conditions, water sanitation, education, health service, etc.

If your club carried out a project which can relate to this, do not hesitate and let us know so we can promote it through our social media channels and website. Additionally, you can apply for the **Outstanding Project Awards 2020/21!** Let us learn about the impact and change you made. Let us share this with the Mediterranean. Be part of our *Wave across the Mediterranean!*

***For any remaining doubts, please contact your Country Representative.***
